Subject: Second Request for Increased Surety and Demand for Payment of 2007 Permit Fees, Burningham Enterprises, Mammoth Ridge #1 Mine, S/017/048, Garfield County, Utah.

Dear Mr. Burningham:

The Division has previously notified you that this permit has been escalated to the year 2011 and \$2,700.00 is due.

You are hereby advised that the Division must receive this increased amount by June 30, 2008 or the Division will be forced to take the necessary steps to withdraw this permit and order reclamation.

In addition, your authorization to conduct mining operations requires the yearly payment of permit fees. The fee of \$150.00 for 2007 has not been received.

Please contact the Division with questions and/or how we may assist you in meeting this surety requirement in a timely manner to avoid adverse action.

Sincerely,

Susan M. White
